

INFORMATION NOTE

The Embassy of the Bolivarian Republic of Venezuela in the United Kingdom warns the general public that some dishonest and deceiving people have set to the task of attracting people through the Internet, offering them work in the United Kingdom, especially in London, for the Venezuelan State-owned Company **Petróleos de Venezuela (PDVSA)**, and they have been asking them to make a deposit of a certain amount of money in order to have the documentation for getting legal permits to stay in the country processed.

The Embassy of the Bolivarian Republic of Venezuela in the United Kingdom reports that **Petróleos de Venezuela, S.A.** does not keep offices in any city of the United Kingdom, nor it recruits Human resources through the Internet, neither it supports any kind of application for working visas, or visas of any other category, before the British authorities.
